This pamphlet contains a brief summary of the features and benefits for insured participants covered under Policy No.BCS-3608-16. This is not a contract of insurance. Coverage is governed by an insurance policy issued to Duke University. The policy is underwritten by BCS Insurance Company, Oakbrook Terrace, IL, NAIC # 38245, under policy Form 28.302. Complete information on the insurance is contained in the Certificate of Insurance on file with the school. If there is a difference between this program description and the certificate wording, the certificate controls.
How the Plan Works

Who is eligible for coverage?
All regular, full-time Eligible Participants and their Eligible Dependents of the educational organization or institution who:
1. Are engaged in international educational activities; and 2. Are temporarily located outside his/her Home Country as a non-resident alien; and 3. Have not obtained permanent residency status.

When does coverage start?
Coverage for an Eligible Participant starts at 12:00:01 a.m. on the latest of the following:
1) The Coverage Start Date shown on the Insurance Identification Card; 2) The date the requirements in Section 1 – Eligible Classes are met; or 3) The date the premium and completed enrollment form, if any, are received by the Insurer or the Administrator.

Thereafter, the insurance is effective 24 hours a day, worldwide except whenever the Covered Person is in his/her Home Country. In no event, however, will insurance start prior to the date the premium is received by the Insurer.

When does coverage end?
Coverage for an Eligible Participant will automatically terminate on the earliest of the following dates: 1.) The date the Policy terminates; 2) The Organization’s or Institution’s Termination Date; 3) The date of which the Eligible Participant ceases to meet the Individual Eligibility Requirements; 4) The end of the term of coverage specified in the Eligible Participant’s enrollment form; 5) The date the Eligible Person permanently leaves the Country of Assignment for his/her or her Home Country; 6) The date the Eligible Participant requests cancellation of coverage (the request must be in writing); 7) The premium due date for which the required premium has not been paid, subject to the Grace Period provision; or 8) The end of any Period of Coverage.

What to do in the event of an emergency
All Eligible Participants are entitled to Global Assistance Services while traveling outside of the United States. In the event of an emergency, they should go immediately to the nearest physician or hospital without delay and then contact HTH Worldwide. HTH Worldwide will then take the appropriate action to assist and monitor the medical care until the situation is resolved. To contact HTH Worldwide in the event of an emergency, call 1.800.257.4823 or collect to +1.610.254.8771.

Excess Coverage
The Insurer will reduce the amount payable under the Policy to the extent expenses are covered under any Other Plan. The Insurer will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or other similar provisions. The amount from Other Plans includes any amount to which the Covered Person is entitled, whether or not a claim is made for the benefits. The Policy is secondary coverage to all other policies.

hthstudents.com
Once Eligible Participants receive their Medical Insurance ID card from HTH Worldwide, they should visit hthstudents.com, and using the certificate number on the front of the card, sign in to the site for comprehensive information and services relating to this plan. Participants can track claims, search for a doctor, view plan information, download claim forms and read health and security information.
